

REMARKS

In the Office Action, the Examiner restricted the application to two (2) distinct groups of claims, stating that each is a separate and distinct invention. The Examiner indicated that the two separate inventions include (1) the container itself as claimed in Claims 1-11 and, (2) a method of making the container as claimed in Claims 12-20.

By the foregoing Amendment, Applicant has cancelled Claims 1-11 without prejudice such that Claims 12-20 remain in prosecution.

If any additional fee is required, please charge Deposit Account Number 19-4330.
